

Death in a Green Jacket: A Hacker Golf Mystery (The Hacker Golf Mysteries)

A body is buried in a bunker weeks before the start of the Masters golf tournament. When intrepid golf writer Pete Hacker begins to investigate, he runs up against a wall of silence from official Augusta and a feared killer from the South American drug cartels lurking in the azaleas. And he begins to learn about an unsavory past that may be about to catch up with Augusta National. With his new inamorata Mary Jane at his side, and the usual cast of characters real and imaged drawn from the inside game of golf, Hacker is off on a major new adventure that's as exciting as the back nine on Sunday at the Masters!
