

Nuthouse Love

Nuthouse Love, the one and only spin off of Kenny Attaways novel *Slum Beautiful*, is a critical, up front; passionate oozing documented real life experiences of Rasheeda Sade Griffin and her three best friends Mesh, Bay and Nika plight to find true and meaningful love. But in their plight of finding true love the young girls then woman engages in physical, emotional, spiritual, financial and social abuse shared by themselves, other woman and the men they become in unisome with. Unluckily throughout the sails in the winds of love self worth they discover not only the harsh reality of hurt, pain and agonies of domestic abuse, but they slip and fall in the egg yolk of their imperfections and insecurities. Regardless of the unforgettable mishaps of her close friends, others involved in her life; including supporting confidants Monica, Mrs. Cent and college friends and herself, she continues her voyage to the point of no return. Nuthouse not only details the experiences, trials and tribulations of many of the woman, but the harsh realism of the black mans fears, misguidance social and emotional troubles and enigmas as he/their boyfriends take them through at first hand experience that theyd refer to as the nuthouse and nuthouse love. The nuthouse term becomes symbolic for not only the feelings emerged from type of men the woman date and become evolved with, but a nickname for an actual place several of the characters visit in the impatient facility for abused woman Love Lockdown. Rich in detail, filled with angelic landscapes of unforgettable real life realities and mournful endings-Nuthouse Love is a must read.
