Night Wakers Two friends on school holiday are looking for a country adventure but get more than they bargained for when strange things begin to happen. What starts with a search for something lost, ends with a nocturnal run of the gauntlet through a magical world. Dream Diary Marcus Revere is an ordinary school footballer until something happens to make things go bump in the night and in the day. When the line becomes blurred between dreams and reality, the consequences are sure to be more than just amusing.
