

The Ghosts Of Ashbury High

Bestselling author Jaclyn Moriarty returns to Ashbury High for a story of romance, mysterious new classmates, and the terrors of making it through your final year of high school. This is the story of Amelia and Riley, bad kids from bad Brookfield High who have transferred to Ashbury High for their final year. They've been in love since they were fourteen, they go out dancing every night, and sleep through school all day. And Ashbury can't get enough of them. Everyone's trying to get their attention; even teachers are dressing differently, trying to make their classes more interesting. Everyone wants to be cooler, tougher, funnier, hoping to be invited into their cool, self-contained world.
