

# Hells Gate: Terror at Bobby Mackeys Music World

At 44 Licking Pike in Wilder, Kentucky, just across the river from Cincinnati, Ohio...lies, what has been called the most haunted place in America. Bobby Mackeys Music World, a country/western bar and nightclub, is well known for its mechanical bull. It is better known for more violent encounters with spirits than anywhere else in the US. Visitors and staff members report everything from poltergeist-like phenomena, to disembodied voices and laughter, to actual physical attacks by unseen forces. There are, on record, 29 sworn affidavits of sightings, several from police and clergy. Paranormal Investigator Doug Hensley was called in to determine the causes for the strange occurrences. Mr. Hensley made some startling discoveries. This book has been the subject of National TV Shows such as Geraldo, Sightings, Encounters, Sally Jessee Rapheal, A Current Affair, Real Ghosts, The Other Side and many more. Read Americas Most Documented Haunting, Hells Gate.
