

Money Mail Moves Abroad (Daily Mail Books)

Moving abroad is an exciting, but somewhat daunting step. For those who are moving for business, retirement or pleasure, this handbook contains information on the process. Written by experts from the Daily Mails Money Mail award-winning team, it covers all aspects of personal finance when moving abroad, from house-hunting to what to do with the house back in the UK. All the information is presented in a jargon-free style and checklists are provided to help the reader to ensure that they have not forgotten anything.
