

# The Life of the Prophet

This book is a timeline of the significant events of The Prophet Muhammad, Islams holiest Prophet and the final messenger of God to mankind. It contains two major sections - the list of significant events and the list of his marriages. This is not a detailed biography but rather a learning tool for those who wish to quickly become familiar with the Prophets life as well as a quick reference guide. The word for God in Arabic is Allah. The followers of Prophet Muhammad are called Muslims. Muslims do not worship Prophet Muhammad but only believe that he was a man chosen by Allah to be his last Prophet and through whom Allah revealed to mankind the verses that form Islams holy book The Quran.
