 Running a personal & household budgetorEverything your Daddy never told you about BudgetingAre you living a pay check to pay check life? Are you struggling to get out of debt? Cant save money at a rate you think you should be? Have you always wondered how to budget? Are you a budgeter already but need help to improve?The Smart Finance Guys Budget Guide answers all the questions youve been too afraid to ask or didnt even know you needed to.Money sense is not something that you are taught in school and can be difficult for parents to share with their children. Very often people go into the big wide world with limited ideas on how to manage their personal finances effectively and efficiently. They then stumble around to find a workable method, making mistakes and losing time (& money) on the way.The Smart Finance Guys guides aim to give you action-oriented steps to develop your money sense. They break items of personal finance into bite-sized chunks so you can focus on the areas most relevant to you. All guides are written concisely to minimise the amount of time you need to dedicate to them. If you are looking for all the answers in once place the Smart Finance Guys guides are the place to head. The budget guide will help you get your finances in order.
