

# Becoming a Mother: From Birth to Six Months

The first moments of motherhood are often the most joyous of a new mothers life, but being responsible for a precious new baby can also be overwhelming. In *BECOMING A MOTHER*, internationally renowned Norwegian obstetrician Dr. Gro Nylander explains everything you need to know about being a mom, from your babys birth through the first six months. Mixing modern research with personal experience, Dr. Nylander offers sensible, compassionate advice on breast-feeding and nutrition, why babies cry, what new dads experience, bonding with your baby, common illnesses, how to fit in exercise and sex, and child development. With this clear and supportive guide by your side, youll know what to expect as a new mom and be better able to handle the unexpected with knowledge, care, and understanding.
