

The Cute Manifesto

A powerful mixture of philosophy and comics that could change your life forever. In a dangerously uncertain world, Kochalka plots a theoretical path to happiness. Collecting his most intensely thoughtful work, Kochalka tackles the big issues . . . comics and art, birth and death, technology and joy, and everything in between. Included are The Horrible Truth about Comics, Reinventing Everything parts 1 and 2, Sunburn, The Cute Manifesto and even Kochalkas famous Craft is the Enemy essays.
