

Vegan Taco Party

This booklet has everything you need to have the best vegan taco party on the block! Try out some vegan Tequila Queso Dip and Baked Corn Chips, an ice cold glass of Homemade Horchata, maybe some Chipotle Tofu Tacos with a side of Roasted Corn with a Cheesy Chile Topping and finish it all off with some Watermelon Popsicles! That is just a small sample of the recipes you'll find in this mouthwatering little book. Includes over 40 recipes including drinks, appetizers, sides, tacos and desserts. All of the recipes are 100% vegan. (And healthy vegan too!) There are color photos of every recipe in the book. It also is meant to be used as a coloring book with cute little pictures to color in while you're cooking (or I guess your kids can color them if you let them!)
