

Preparing for Labour, Birth and the Early Days of Parenting: A Brief Guide

Preparing for birth and parenthood can be a daunting task. Sometimes it can be tricky to know how to best prepare yourself. In this E-book, we are featuring some fantastic tips to help you during labour and birth. Alongside this, come some tried and tested tips from new parents who have been there, done it and got the sick-stained T-shirt. Content includes: How to choose your place of birth, Information about how labour progresses, Breathing, Positions, Relaxation and Massage for Labour, How to Tailor the Birth Environment, Practicalities for Labour. You will also find Tips from New Parents for new parents and where to find support as a new parent.
