

The Ultimate Healthy Pregnancy: My Week By Week Pregnancy Journal (The Healthy And Happy Pregnancy Book 7)

****Fantastic Bargain Just \$2.99****The Ultimate Healthy Pregnancy: My Week By Week Pregnancy Journal Nobody understands me.....this is the words that a pregnant woman often feels. At home with her husband and other children, they will never understand how she feels and what her body is going through. So the author of this ebook (who was expecting her second child at the time) put pen to paper and shared her entire pregnancy and created a week by week pregnancy journal. Along with snaps of each point in pregnancy, she shares everything she ate from healthy lunches to not so healthy trips to McDonalds. Running from when she found out she was pregnant right through to holding her daughter in her arms - this is the complete week by week pregnancy journal.
