Being the Master of the Island of Ice, the Supernatural Hero or the Demonic Hero Suma Han, with the help of the ex-warriors he freed from Hell Island people, lived in that mythical island and brought up his niece, Kwi Hong. Meanwhile, Gak Bun Beng, the miraculous boy, had grown up to be a smart and determinant boy. Accompanied by his teacher, he went to the summit at the estuary of Huang-ho River in his thirst of experience and knowledge. However, they were arrested and were made bait by Hek-liong-pang people to invite the initial actions from the martial figures. Would they be able to free themselves? By the presence of the government army around that place, especially the State Advisor Bhong Ji Kun and his sidekicks, two Tibetan Lamas, Thian Tok Lama and Thai Li Lama, would those martial figures get a chance to find the map of the magical treasure?
