

## DC: The New Frontier

Writer/illustrator Darwyn Cooke's critically acclaimed masterpiece DC: THE NEW FRONTIER is celebrated in this oversized Absolute edition featuring new story pages, detailed annotations, alternate sequences and an extensive gallery of sketches, pinups, action figure art and much more! In the 1950s, Cold War paranoia has resulted in the mystery men of the Golden Age being outlaws. Stalwarts such as Batman, Superman and Wonder Woman continued to fight for truth and justice, but as the world hurtles toward an uncertain future, it would take a new breed of hero to define the American Way. DC: THE NEW FRONTIER takes readers on an epic journey from the end of the Golden Age of heroes to the beginnings of the legendary Justice League of America.
