

Soul Wars

Whenever you take up a task that's going to require your best effort for success, turn to Soul Wars Bible study. Being merely human, we often struggle in confusion when we try to accomplish difficult tasks by ourselves. But if we expose ourselves to God's power expressed in the pages of Soul Wars, by asking His help and blessing every step of the way, spiritual success often comes. We are capable of doing our best work as spiritual soldiers in the radiance of God's perfect light. Soul Wars makes us see darkness as a good thing it can be. We travel through the darkness into the light of the cross of Jesus Christ. God is light and in Him is no darkness at all (1 John 1:5).
