

Health Insurance Claims - Did Your Insurance Pay The Right Benefits?

Rhonda Grice, the author of Health Insurance Claims, has been in the insurance industry for over 15 years and spent 6 years as a quality claims auditor. Most of the mistakes that people experience on their claims could be resolved in favor of the policy holder if they just understood their benefits a little better and would ask questions about their claims. This 19 page guide is here to help you understand the insurance lingo and to know how to read your insurance policy and explanation of benefits. Just the basics is enough to make a difference.
