

Snakes in the Grass: Faith Edition, A Study Guide

The 24 Protocols of the Learned Elders of Zion are reprinted verbatim after the 1917 Marsden translation to English from the original, Russian translation of Nilus in 1906, and which was on display for several decades at the British Museum of Natural History in London. They have been color coded to make referencing and discussing specific key topics easier in group study. Frequent footnotes provide up-to-date, relevant information. There is also a Definition section at the back to clarify antiquated words. NOTE: This is a simple, faith based Study Guide for both individual and group use. It is designed to strengthen your personal relationship with the Lord God Almighty and to encourage you to Love Your Neighbor as You Love Yourself and Pray for your enemy rather than turn to fear, hate, or anti-semitism. BOOK DESCRIPTION For over a century, the Protocols of the Learned Elders of Zion have elicited an often savage response whenever they are mentioned. They are riddled with controversy and have been officially deemed 1. a hoax 2. a forgery and 3. the plagiarized work of previous authors. Nearly everyone has a strong opinion about them. Hardly anyone has actually read them. There is no Jewish conspiracy! For thousands of years, the father of the Lie has successfully pitted Jews, Christians and Muslims against one another so that we would not join hands together against Our Common Foe. Through fear and intimidation, that ancient Serpent has directed and empowered the multitudes of his Snakes in the Grass to deceive and divide the children of God Almighty and lead them astray - whether they are Jew or Gentile. Nor has he had so much as a twinge of compunction about sacrificing innumerable victims in order to achieve his Plan for global domination. What he doesn't want is for you to actually read his Plan for yourself. The day you do that your eyes will be opened and you will

see the Truth. He and his legions of Snakes in the Grass will no longer be able to dupe you into complicity with his Plan, and you will gain in spiritual strength - for Knowledge is Power. Hosea cried out for the Israelites because they were perishing ... for a lack of knowledge, but even more important is the line that follows it, ... because they have REJECTED knowledge ... (Hosea 4:6,7) Please dont reject knowledge. Use your own brain to do your thinking and read the Protocols for yourself. You will discover that there is no Jewish conspiracy! The Elders are despicable apostates serving the Serpent, Lucifer, the Illumined One - who is not a Jew. Dont be afraid. Christ Jesus is already seated on the throne of our Fathers kingdom! No matter how overwhelming the progress of our enemys plan may appear, remember what Gideon learned - with God Almighty, One is a Majority!
