

## Forgotten (Jennie McGrady Mysteries)

With a dangerous criminal on the loose, will Jennie make it to safety in time? In many ways, Jennie McGrady is just your average high schooler but she has a peculiar knack for stumbling upon trouble. As a result, her detective skills are first-rate. In her latest adventure, Jennie manages to be in the wrong place at the wrong time. After witnessing a bank robbery, she is abducted by the thieves and left for dead. She wants more than anything to identify her captors for police, but she can't remember them. What's worse, remembering could prove deadly.
