

Orgasmic: One Couples Life Experience

We all know that couple. That perfectly matched pair who never seems to be anything less than madly in love with each other. Mr. & Mrs. Doinit Right are that couple. Through their years of happy marriage, these two have found the path from being an ordinary couple - bored, resigned and stressed, to being an extraordinary one - passionate, energetic, and joyful. For years people have been asking them about their perfect relationship. In *Orgasmic* they have collected the wisdom of their life together in one place. From the sensual, to the romantic, to the practical, their guidance offers readers a path to staying happy and together through thick and thin. Using personal stories and theories based on their experiences, Mr. & Mrs. Doinit Right spell out their basic belief that perfect love is available to everyone. You just have to want it, find it, and respect it. In these pages, you won't find a lot of psychobabble, just real-world advice from a real-world couple who couldn't be more in love. Authors Mr. & Mrs. Doinit Right live in a small town in rural Central Kentucky. Their future plans include living, loving, growing old together, and having as much fun doing it all as they can.
