

Rabbits in the Wild!: Fun Learning for Children

Fun and facts come to life in this nonfiction book about rabbits, along with beautiful photos. This book explains how nature provides for animals that live within their habitats. The age level for this wonderful childrens book is from 3 to 8 years old. This allows children who are beginners or those who cannot read yet to visualize rabbits living in their natural habitats through delightful photos. Children who can already read will also enjoy the interesting information about how rabbits live in the wild!
