

# All Because of the Tip of a Needle

A fictional story inspired by the M-99 scandal and the life of horseman Scott Nance. Samuel Newman is a young up and coming harness driver. Everyone says he, has a way with equine. What would happen if he was framed and accused of drugging his horses to win? Highlighting the heartbreaking experience of one young trainer, caught up in the murkier side of harness racing in the 1980s, Nork has created a compelling story of collusion and corporate bullying. Diana J. Febry, author of Bells on her Toes.
