

Created To Need A Help Meet: A Marriage Guide for Men

In recent years men have been given a lot of mixed messages as to what it means to be a man, husband or father. Men hate mixed messages. Just tell us like it is (or should be) without all of the extraverbiage. Thats exactly what Mike Pearl does in eliminating the conflicting messages and getting to the meat of the matter. Discover Gods design for a man and how can you find joy doing what you were designed to do? Learn your responsibility as a man/husband/father and what is not? Learn how love your wife even as Christ also loved the church? As always, Mikes presentation is direct with no holds barred and he is not afraid to hurt your feelings. With his over 50 years of Bible study he presents Gods perspective on the subject and his over 40 years of marriage bears witness to its effectiveness. His wife, Debi Pearl, weighs in to add grace to Mikes, to the point writing style.
