

The Call of Chaos (Warhammer)

The Storm of Chaos campaign is a world-wide Warhammer gaming event running throughout the year. The Call of Chaos is a packed collection of the best comic strips reflecting the neverending war against the Dark Powers. From revenge-driven Empire soldiers thrust into the cauldron of battle, to the brave citizens of a beleaguered hamlet facing up to something from way beyond their wildest nightmares, the central theme of all these stories is mans defiance in the face of utmost evil. Written by our best storytellers, including Dan Abnett, Simon Spurrier and Gordon Rennie, these tales are illustrated by some of the biggest names in comic books today, including Gary Erskine (The Authority), John Stokes (The Invisibles) and Frazer Irving (The Authority).
