

The 365 Project: The Year of Getting Back to Me

Not simply a compilation of poems, *The 365 Project* delves deep into the mental, emotional, spiritual and sexual growth and healing of the author throughout 2012. Throughout the year, Bridgette explores discovery of self, success and failures, joy and sadness of a millennial Black woman just graduating college and embarking upon the real world for the first time away from home. With a desire to create dialogue concerning issues that not only affect her, but all of the millennial generation, Bridgette decided to solicit the intellect and insight of 5 young writers to jumpstart the conversation. Take part in the journey and discover.
