

Yoga for Pregnancy (The Spirit Yoga Health Series Book 2)

Yoga for Pregnancy

A Pregnancy Yoga Class to bring calm, health and fitness to the mother-to-be by Spirit Yoga.

Volume 2 in The Spirit Yoga Health Series

Because yoga is a holistic exercise (working on your body and mind) it will reduce stress and anxiety during pregnancy while also toning and strengthening your body. Yoga teaches you to relax at times of discomfort and will help you fight the urge to tighten up when you feel the pain, and instead practice your breathing techniques to gain focus and a more relaxed body and mind. This in turn also helps speed up the whole birthing process. When you practice yoga, you are toning and stretching your muscles with hardly any impact on your joints, which is ideal for pregnant women.

If you have practiced yoga before, you'll find these routines a little gentler than what you're most probably used to. It is important if you are a strong practitioner of yoga or have had a strong physical fitness program, to listen to your body. You will need to ease up a little to compensate for extra suppleness of muscles and ligaments, to avoid stress on your joints and adjust to your shift in centre of gravity. This book *Yoga for Pregnancy* is informative & made into an easy to follow yoga class with concise instructions. Each yoga pose also has an image so you can practice with confidence, knowing that you are in correct alignment in each pose. This book also offers you a link to a FREE 13 minute *Yoga for Pregnancy* video clip demonstrating some of the yoga poses recommended during pregnancy. There is also another video link in the book showing you how to correctly practice the *Spirit Yoga Maternal Sun Salute*. This e-Book is part of *The Spirit Yoga Health Series*, which is a collection of yoga e-Books designed to benefit a particular health concern & made into an easy to follow class. These classes mostly use traditional yoga poses and some yoga therapy exercises that are based on bringing energy (chi or prana) to the meridian channels located throughout the body. These yoga classes bring balance to

your body and life so you can function with ease. The Author Martine Ford, is a qualified yoga instructor and owner of Spirit Yoga Australia. A former professional dancer, she has an extensive background in various forms of dance as well as numerous yoga studies. Martine trained to Advanced Level in Power Yoga with Duncan Peak of Power Living Australia Yoga (P.L.A.Y), and has certification with Zenergy Kids, Yoga Institute, Yin Yoga with Jo Phee, Sadie Nardini (online) and has a Diploma in Dance from the Queensland Dance School of Excellence. Martine is enjoying being able to share the many physical & spiritual benefits yoga offers with her varied students, and encourages them all to live from a place of peace, strength and clarity.
