

# The revived Puritan: the spirituality of George Whitefield (Classics of Reformed Spirituality)

George Whitefield was a man of uncommon piety and holiness. He was used by God in a powerful way in the eighteenth century to bring about true revival in England and America. Dr. Haykin writes an engaging introduction to *The Revived Puritan* which focuses on Whitefield's walk with God and his deep experience of the new birth. The selections from Whitefield's letters which follow, many unpublished since the eighteenth century, provide a first-hand look at his spirituality and are a source of meditation, encouragement and challenge for those seeking revival and spiritual awakening in our day.
