Love Golf? Then you probably have a pile of golf logs lying in a drawer somewhere already. Why not use a golf log book so you can have every game you play at your fingertips. You can track putts, strokes, bunkers, best shots and pretty much anything else you want to know with this journal. By tracking your results on each hole, you can see how much better you are playing (or worse!) and then crush your friends the next time you play a round.
