Natalies first book, Hey Natalie Jean is one part manifesto and three parts ideas, projects, and advice. Beautifully illustrated and whimsically designed, the book offers twenty-five essays and how-tos that serve as a guide to life: making date-night magic in the middle of the mundane, successfully exploring the city with a three-year-old, and creating a satisfying daily routine that still leaves room for little adventures and lots of magic. Natalies optimism, creativity, keen eye, and zeal for life are palpable, and she encourages others to make their lives beautiful with ease. This heartfelt, personal collection of essays and photographs shows Natalies ability to identify and describe lifes lovely incidentals in the everyday routine of errands, play dates, and naps. Inspiring, moving, and whip-smart, Hey Natalie Jean is an honest look at the hard work and courage that go into creating a beautiful life.
