

Study Guide to Accompany The World Economy:: Open-Economy Macroeconomics and Finance Seventh Edition

A study guide designed to accompany the textbook for a college-level economics course in international macroeconomics or open-economy macroeconomics. Includes key points, a quick quiz, matching exercises, and problems and questions for review (with answers) for each chapter. Also includes suggested study techniques, sources of additional information about the international macroeconomy, and tips for writing a successful term paper on open-economy macroeconomics.
