

Psycho-Theology: Understanding the Mind of God

Have you ever contemplated on how to please God? How can we as mere humans ever know what God is thinking and what He desires? Dr. Moore attempts to unlock the mind of God and reveal the Lords desires for all of mankind. He takes a psychological approach which is supported by scriptural references and personal experiences. To know the mind of God is to find not only the answers for your intellect but also the answers of your heart. When God shapes your heart and your mind, your actions will follow. You can find this same thing stated in the Great Commandment, You shall love the Lord your God with all your heart, and with all your soul, and with all your might (Deuteronomy 6:5). Join him in the journey of a lifetime.
