

Jesus Christ SuperTeen: #junior_year_book_2

What if you hung out with Jesus before he was, well, J.E.S.U.S? What if Jesus went to your high school, drove an old Jeep and delivered pizzas part-time to save money for college? For Paul Watson, Jesus is just that: an A.P. student and pizza delivery co-worker who becomes a close friend. When a seemingly random pizza delivery mixes up Paul with Jesus and an eerie and awkward encounter with the Lord of Darkness himself the two friends are catapulted on a journey beyond space and time literally. Jesus Christ SuperTeen is a hilarious look at teen life in modern America with a unique twist that places Jesus as a twenty-first century teenager before he becomes, well, J.E.S.U.S! Filled with a fascinating glimpse of the modern high school and the pizza delivery business, this book will have you laughing right up until the climax where the afterlife resembles more the DMV than fire and brimstone. This novel is Tom Stoppard meets Douglas Adams for the YA set. For teens and older. BOOK 2: #_junior_year_book_2 Meet Paul (again). Yes, Paul has solved the mystery of his girlfriends behavior; no, Paul makes no sense out of his encounter with the creepy guy; and, yes, Paul does manage to finish his paper and turn it in on time. However, Paul, Jesus and Lacy only discover more unanswered questions than answers. It doesnt help matters either that Jesus finally meets the creepy guy with the pristine dental work. Will Paul recover from his second trip to Lunch Detention for reasons that nobody would believe? Will it go on his transcript? Will Paul survive the amazing gastrous confluence of Thanksgivukkah? Will Paul be able to make any sense out of how increasingly bizarre and surreal his life has become since becoming friends with Jesus? Dont count on it, but, then again, never underestimate an Honors Nerd.
