

Manage Your Time; Manage Your Money

Success in life doesnt come by mere chance, it is reaped through hard work and efficient usage of ones time. Each and every day, we are given 24x60x60 or exactly 86,400 seconds to spend any way we want. Use them to the utmost and you emerge as the best in your chosen field, squander all of them and you end up sleeping on the street. You want to use your time in the best way possible? Then read this book and you will know how. It will tell you the basic factors that determine how you spend your time, the elements that make use of your time, will teach you how you should allocate your time and most of all, provide you a sample projected time allocation table and an extracted sample schedule of daily activities that you can use as model to be able to manage your time to the utmost. And waste your time and life no more.
