

Dot Money The Global Currency Reserve Questions & Answers

Dot Money is a new and revolutionary kind of global community currency that incorporates the technology of virtual currencies and adds many new features that enable it to be used with or without computers or the internet. The design and purpose of Dot Money is to introduce a new age of economic prosperity and stability throughout the world and solve some of the most important problems facing the world today, including ending poverty. The Global Currency Reserve (GCR) is the international administrator and primary market maker of Dot Money.

The book Dot Money, The Global Currency Reserve, Questions & Answers is designed to enable the reader to become familiar with the purposes and functions of Dot Money and the Global Currency Reserve (GCR). This book is designed to be accompanied by the 2014 book Dot Money by Eric Majors (www.DotMoneyBook.com). Dot Money may be the most important book of our time.
