

The Secrets We Keep

Gracie is a prominent doctor, married to David, a man who inherited a successful family business. They are on the verge of their 10th anniversary of marriage; however, secrets from the past attempt to hinder them from reaching their happily ever after. This sends David on a mission to prove that love is strong enough to overcome the pains of the past. Gracie had the painful, but necessary task of testifying in court against a man who had tormented her for more years than she cared to remember. Threats were used as enforcers to keep their secrets safe. It had taken Gracie more than ten years, to finally tell the full truth, as she knew it. Bickering had broken out between her and her family to the point that no one was speaking to her. Her testimony could possibly form an even wider wedge between them which caused the internal struggle that she battled daily to grow more intense. Will she allow the truth to make her free or will she remain hindered by the pain of her past? Find out how to move forward in life, in this novel, *The Secrets we keep*.
