

My Big Nose and Other Natural Disasters

Its the end of junior year, and summer is about to begin. The Summer of Passion, to be exact, when Jory Michaels plans to explore all the possibilities of the future--and, with any luck, score a boyfriend in the process. But Jory has a problem. A big problem. A curvy, honking, bumpy, problem in the form of her Super Schnozz, the one thing standing between Jory and happiness. And now, with the Summer of Passion stretched before her like an open road, shes determined for Super Schnozz to disappear. Jory takes a job delivering wedding cakes to save up for a nose job at the end of the summer; she even keeps a book filled with magazine cutouts of perfect noses to show the doctor. But nothing is ever easy for accident-prone Jory--and before she knows it, her Summer of Passion falls apart faster than the delivery van she crashes. In her hilarious and heartbreaking debut novel, Sydney Salter delivers a story about broadening your horizons, accepting yourself, and finding love right under your nose.
