

# When Sinners Say I Do

Marriage is the union of two people who arrive at the altar toting some surprisingly large luggage. Often it gets opened right there on the honeymoon, sometimes it waits for the week after. The Bible calls it sin and understanding its influence can make all the difference for a man and woman who are building a life together. When Sinners Say I Do is about encountering the life-transforming power of the gospel in the unpredictable journey of marriage. Dave's writing style embraces the reader as he speaks honestly, and sometimes humorously, about sin and the power of the gospel to overcome it. He opens the delightful truth of God's word and encourages the reader to see more clearly the glorious picture of what God does when sinners say I do.
