

## No Fear Cooking I

Z Culinary's NO FEAR COOKING. has the ultimate goal to show that reluctant cook that feeding four or forty doesn't have to be stressful but can really be fun. All recipes allow the Cook to season to taste and add and omit ingredients as desired. The book provides ideas and tricks as well as clueing the reader in on recipes stolen from some of the best places and best chefs around. This cookbook includes over 130 recipe favorites of my friends and family, interspersed with stories, tips, hints, explanations and Ah-Has we hope you find amusing, helpful and interesting. Most all the recipes simply have ingredient lists or ratios without exact measurements. This is by design. If there is an ingredient you don't like...leave it out... an ingredient you love....put more in. TASTE.....ADJUST.....TASTE.....ADJUST....TASTE. I want you to enjoy creating your dishes as opposed to following somebody's rules. You have to follow enough rules in your life. Cooking should be fun not a chore. Hopefully, you will be inspired to create some awesome food and will enjoy the book.
