My Pregnancy Care with Gestational Diabetes: Tips on Diet, Grocery Shopping and Eating Out As you prepare for a healthy pregnancy and a healthy baby your prenatal nutrition choices will play an important role in a positive outcome with gestational diabetes. Prenatal nutrition with gestational diabetes is all about blood sugar management and control. We all go places to eat and we all must go grocery shopping for ourselves and without a plan each is pointless. This book will explore the basic needs of a gestational diabetes diet, discuss grocery shopping and making positive choices and all of our favorites is the most common issue of eating out with friends and family. No matter what week you have been diagnosed it is important to realize that the health of your baby is part of complete gestational diabetes management plan. At the top of the list is getting your blood sugar under control and your food intakes are key to managing sugars. Reading nutritional labels? I got you covered! Eating out at your favorite restaurant? I got you covered! Want to know how much to eat? I got it! Get started with this guide to grocery shopping and eating out with gestational diabetes and be closer to your healthy baby's birth.
