

Business Income Coverage Guide

This brand new resource is the all-inclusive reference encompassing ISO, AAIS, and MSO Business Income coverage programs. It delivers: Line-by-line analysis of full-text forms and endorsements Turnkey case law application to clarify tricky policy language and settle potential interpretation disputes Clear illustrations on the use of endorsements to cover exposures as well as situations that are excluded on the basic form Expert answers to frequently asked questions about real-life claims scenarios And much more! Business Income Coverage Guide also covers the most current and costly topics in Business Income today, such as service interruption, pandemic business income, contingent coverage, extended period of indemnity, and much more. This valuable combination, covering both fundamental issues and trending topics, is truly a one-of-a-kind resource. The practice-tested insights found throughout this guide could only be delivered by our expert authors, Nicholas M. Insua, Esq., and Sherilyn Pastor, Esq., partners at McCarter & English. Business Income Coverage Guide delivers expert insights and proven strategies in one of the most important and growing areas of commercial coverage.
