The Guardian of The Tomb is the tale of Steven, a young gifted boy, who suddenly finds himself thrown into a quest which will take him half way around the world. Steven, along with an Egyptian Priest, must search the depths of ancient tombs to find the Guardian of The Tomb who was responsible for killing Stevens parents. His search for the Guardian is filled with unknown obstacles designed to kill any intruder set on desecrating the Pharaohs resting place. Steven has only eight hours to complete his quest if he has any hope of returning home safely. Otherwise he will remain trapped in a 2,500-year nightmare.
