

See Dick and Jane Grow Up: Seven Growth Steps to Marital Maturity

Remember Dick and Jane and #151;those chubby cherubs from elementary school? When Dick and Jane were children, the world was a simpler place to live. Marriage roles were well defined. Troubles were perceived as adventures that would end happily as every good storybook adventure should. Then Dick and Jane grew up. Dick married Linda; Jane married Rob and #151;and their childhood fantasies collided with the real world of adulthood and responsibility. In See Dick and Jane Grow Up, Dr. David B. Hawkins helps both men and women identify attitudes from childhood that keep couples from experiencing a full and satisfying marriage relationship in the real world. He offers practical tools and biblical principles that can take you through the Seven Growth Steps of Marriage to a satisfying, mature relationship.
