New to writing and looking to publish your first book? This no nonsense guide will help you to prepare your book for release, with handy tips on how and where to publish. The advice given is based on my own experiences and journey as a self-published author in the UK, using both USA and UK based platforms over the publication of my first three fiction books: Telling Tales, Pieces of Me and Riot Girl. This guidebook contains everything I wish I had known when I first started out on this journey we call indie!
