

Tesoros del Islam (Spanish Edition)

A celebration of the contribution Islam has made to the cultural and spiritual heritage of the world, this sumptuous reference gathers numerous examples of the masterpieces of art and architecture that one of the world's major religions has left on various continents. Paintings, jewelry, metalwork, and sculptures are examined along with architectural wonders such as Jerusalem's Dome of the Rock, the Alhambra in Spain, and the Taj Mahal in India. The book also provides a cursory introduction to the history of Islam's empires and dynasties, and leaves no doubt as to the significance of the religion. Una celebracion de la contribucion del Islam a la herencia cultural y espiritual mundial, esta referencia suntuosa reúne numerosos ejemplos de las obras de arte y arquitectura que una de las religiones más importantes del mundo ha dejado en un amplio ámbito geográfico. Pinturas, joyería, metalisteria y esculturas se examinan junto con maravillas arquitectónicas como la Cupula de la Roca en Jerusalem, Alhambra en España y el Taj Mahal en la India. El libro provee también una introducción a la historia de los imperios y las dinastías islámicas, y sin dudas afirma la significancia de la religión.
