

# The Ultimate Guide to Great Table Service: Simple Tips, Techniques & Strategies to Making Excellent Money

Weve all been there - our tips have flat-lined and we cant seem to find our game. Or, you are new to the game and you cant seem to figure everything out. If you are reading this, chances are you are one of the following people: - A new server eager to get the jump on a bright career in the hospitality industry - An existing server whos not happy with your current level of tips - A veteran server, or lifer, whose tips have flat-lined and who wants to start earning like you did in your peak years again - A bartender who also waits on tables in the bar area, or just wants to take your customer service to the next level - A hostess, busboy or member of the kitchen staff who ultimately wants to be a server; - A manager or restaurant owner who wants to inspire his service staff to fulfill their peak potential ... We have all gone through our server training which consists of our trainer showing us where the break room and dish pit are, and how to do the all important cash-out. Now, if you are a veteran server, you can usually hit the ground running. If you are a rookie, it will probably take some trial and error to find your voice. What if there was a way to solve all of the problems listed above for the cost of the tip off of a \$50 deuce? What if you had access to years of experience all condensed in an easy to follow formula that works all the time every time?? To solve these problems, I wrote 'The Ultimate Guide to Great Table Service: Simple Tips, Techniques & Strategies to Increase Your Nightly Income! It is an easy to follow blueprint that follows the course of a typical meal in a restaurant, at dinner time. Following this proven formula will increase your tips on every table, every shift, of every week!

---

In The Ultimate Guide to Great Table Service, Shane Belanger summarizes his 20+ years of experience serving the public. This is not a

book on how to wait tables - this is a book on how to maximize your earning potential on every table, every shift of every week.
