

Finding the Midline: How Yoga Helps a Trial Lawyer Make Friends and Connect to Spirit

Bill Dorigan had it all: great job, married with a young son. Still, he was miserable, oblivious to his good fortune, feeling adrift, and irritating almost everyone. Hungry to fit in, he tried everything, from running marathons to therapy, but nothing seemed to work. Then one day a friend took him to a yoga class and that began an amazing journey he now shares in *Finding the Midline: How Yoga Helps a Trial Lawyer Make Friends and Connect to Spirit*. In *Finding the Midline*, successful trial lawyer Dorigan gives you a roadmap to the life you may only imagine—a life filled with relationships and meaning. Sometimes with humor, sometimes with gut-wrenching sadness, but always with passion and sincerity, Dorigan shares how he uses the lessons from yoga to create a life rich with friends and purpose, a life of success. Whether you practice yoga or not, *Finding the Midline* is a special gift, illuminating the lessons of yoga and modern behavioral psychology as they apply to everyday life.
