...beautifully narrated the battle between the truth and falsehood. - Sadathullah Khan, Discover Yourself A narrative of the soul to its human self. -Shaimaa Kraba, Ontario Canada God Pulled Me Through In the late 60s at the age of 16, Nisha is married to a distant cousin, a common practice in her remote South Indian village. Though she marries her husband sight unseen, she is excited about her new life. Quickly, that excitement gives way to despair as she discovers her husbands secret obsessions. Through trials, betrayal, abuse and manipulation, she is tested in almost unimaginable ways. Clinging to her faith and her children, she emerges from darkness, thankful for every humbling event that brought her to her Lord. A Part of Me Refused to Die gives a behind-the-scenes look at the circumstances so many women suffer in silence. It is a story of survival and success, patience and perseverance, resilience and redemption. Despite the trauma, she emerges with undiminished faith and a shining spirit that is a testimony to the triumph of the human spirit. Every one of us faces our own type of abuse, both inflicted on us by others and our own selves. Nishas story of resilience is one that reminds you that GOD is always in control and you have the power to alter your condition.
