

WHO SAID THAT? - SOCCER (Quaere Sports Book 2)

Its easy to mock soccer players as the range of over 130 quotes in this book ably demonstrates. Weve all made stupid mistakes from mixing metaphors to spoonerisms, but its worth remembering that the comments included here were not made in the pub or with friends, but usually in front of a TV camera or microphone, or from the pressures of the commentary box. Its also worth bearing in mind that some of the quotes are by players whose first language isnt English.They are funny though.
