

# The Illuminati Papers

Is all of history a vast conspiracy? Cosmic joke? Robert Anton Wilson developed the story of the Illuminati, a conspiracy as old as time itself, as a vehicle to amuse and enlighten. His best-selling books, *The Illuminati Trilogy* and *Cosmic Trigger*, have delighted readers the world over and made the Illuminati conspiracy the perfect metaphor for our time. In the *ILLUMINATI PAPERS*, Robert Anton Wilson speaks through characters from his novels and other realities and presents his views on our future way of life. Includes *The HEAD Revolution*, *Secrets of Evolution*, *How to Eliminate Stupidity*, *Illuminati Interoffice Memos*, *The Position Papers of Hagbard Celine*, *Economic Liberation*, *The Usual Gang of Lunatics, Mystics, and Characters*, *Clamoring for a New Social Order*
