

A Guide to the 99 Names of Allah (Shabaz Memorial Series Book 1)

This is a short eBook entitled A Guide to the 99 Names of Allah . This eBook lists and introduces the 99 blessed names of Allah which is the term used by Muslims worldwide to describe God. There is a short introduction to Islam and the central tenant of monotheism. This is followed by the origins of the name Allah and why this is used to describe God rather than other terms or words. Finally the eBook lists the 99 names and meanings of Allah in English. This eBook is useful for Muslims and non Muslims who are interested in discovering the names of the creator, their meanings and attributes to widen knowledge around the Islamic faith and concept of monotheism.
